

I would like to express how important K-LOVE is to me and my family. It is the only radio station we listen to because it's content is always morally correct. I have been listening to K-LOVE for over 5 years and would hate to see it replaced by an LPFM station. In these times when we are inundated with violence and hatred, it's hard to stay focused on the good things that this world has to offer. By listening to an encouraging radio station such as K-LOVE, we are able to do that. K-LOVE has shown over the years how important family and friends are to all of us if we are to survive in this world that offers little forgiveness. I truly support any program that promotes family values as well as K-LOVE does. I urge you to continue the programming of this radio station. Thank you for your time.
